

## **Vodori Announces Appointment of Brian Parker to its Board of Advisors**

*Parker is an attorney with more than 20 years experience representing life sciences and health care companies*

**CHICAGO, IL – November 19, 2020** – Vodori, creator of cloud-based software that revolutionizes how life science companies get regulated content to market, today announced that Brian Parker joins Vodori’s Board of Advisors. Parker is a highly skilled attorney with industry expertise in Life Sciences and Healthcare.

Brian has over 20 years of experience advising branded and generic pharmaceutical, biopharma, and biotech companies in the areas of medical, legal, and regulatory. These life science and healthcare companies range in revenue from 50M–75B and include some of the largest companies in the S&P 500 Index. He is currently a Partner at [Parker Poe Adams & Bernstein LLP](#), a firm that, for more than a century, has represented local governments and companies in corporate, finance, regulatory, real estate, and litigation matters. In addition to serving on the advisory board at Vodori, he is also on the Advisory Board of Union Bridge Capital and serves as a director for Duquesne University, UPMC Mercy Hospital, and the Forbes Fund.

“We are fortunate to have Brian Parker join the Vodori Board of Advisors,” said Scott Rovegno, Vodori Founder and CEO. “He brings extensive experience in advising pharmaceutical and biotech companies on commercialization, compliance, governance and regulatory topics along with his deep understanding of the life science arena. We look forward to his guidance as we advance our mission to empower life science companies to bring their vital healthcare products to market faster with our [Pepper Cloud](#) software solutions.”

“The Vodori team combines a passion for modern software with a mission that has never been as relevant to so many,” said Brian Parker. “I am passionate about helping mission-driven technology companies and Vodori’s focus on the life science industry make it a great fit for me to provide useful insights and guidance in this advisory role.”
